

CERTIFICATE

It is hereby confirmed that the company

HI-TEC Andrzej Sieklucki

satisfies the TCE Elite certification standards for transport companies.

The certificate covers the following areas:

- formal requirements for transport activities,
- scope of insurance coverage,
- fleet status,
- monitoring of vehicles,
- experience and reputation in the industry.

Certification Regulations are an integral part of TCE Elite.

The TCE Elite certificate remains in force provided that its requirements are satisfied.

Number: 721455
